“A House like Me”

A lecture within “Tectonics – In English”, HSLU T&A, IA

“A House like Me” suggests an experience of common being between the building and me that may encourage to take better care of the world.

Maybe aesthetic knowledge through bodily communication may help to rethink the way we built on this Earth.

Nicolai Bo Andersen

Nicolai Bo Andersen

is a Professor MSO at The Royal Danish Academy - Architecture, Design, Conservation involved in research, education and professional practice.

He studied at The Cooper Union, New York and graduated at the Royal Danish Academy of Fine Arts, School of Architecture in 1998. His primary research areas focus on Cultural Heritage, Transformation, Conservation, Sustainability, Architecture and Aesthetics.
